National Night Out 2016

POLICE • COMMUNITY PARTNERSHIPS

The Celina Police Department invites you to attend and participate in the annual National Night Out (NNO) crime, drug, and violence prevention program sponsored by the National Association of Town Watch (NATW).

National Night Out 2016 Event Date

Tuesday October 4, 2016

6:00 p.m. – 9:00 p.m.

National Night Out is a great opportunity to bring neighbors together, strengthen police-community relations, and make our neighborhoods safer places to live. Millions of people across the country are expected to participate and Celina residents always show in large numbers. Come join your neighbors and your police department – together we make Celina safer!

During National Night Out 2016 the Celina Police Department would like to bring awareness to the issue of domestic violence. Domestic Violence affects all communities and victims often suffer alone. By working together in a partnership between community, police, and victim advocacy we can make a big difference in the lives of these victims. Hope's Door provides comprehensive services to individuals and families affected by domestic violence. Most importantly, Hope's Door needs community assistance to keep pace with the demand for their services. We would like for the neighborhood groups to sponsor a donation drive for Hope's Door during

National Night Out. Our community can assist Hope's Door with greatly needed resources. Please refer to the "Wish List."

Neighborhood block party donations from National Night Out 2015.

Last year our community came together for Hope's Door with generous donations. Most of all, our community showed solidarity in preventing domestic violence and making victims safer.

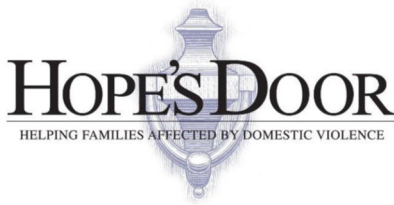

Thanks to the community's partnership with the police department and Hope's Door, our community achieved a -17.70% decrease in Domestic Violence Offenses in 2015.

Participate in National Night Out 2016! We encourage all residents to turn on outside lights, lock your doors, and spend the evening outside with neighbors and public safety personnel from police and fire. Let's show our solidarity against crime and keep Celina safe for all. Neighbors watching after neighbors is the foundation of a safe community.

Donation collection boxes for Hope's Door will be provided to each block party. For more information, please contact:

Gift Cards are important at Hope's Door too! Some of our clients have left abusive situations with only a small bag and the clothes they were wearing. They have bravely come to Hope's Door to start over. It can take a long time to get back on one's feet. We know they are appreciative for everything that we are able to provide. We also know there is freedom and dignity in providing clients choices while shopping for food and clothing. Through donations of gift cards to Target, Wal-Mart, grocery stores and gas stations; we can provide clients with independence and a way to feel like they are more in control.
